

- THRIFTY CAR AND VAN RENTAL ADDS PADDINGTON TO ITS NATIONWIDE NETWORK

---

With Britain gearing up for a major increase in tourism this summer, Thrifty Car and Van Rental has selected the ideal time to expand its nationwide network. By opening a new branch in Paddington, Thrifty will bring a variety of vehicles and services into the area at a time when thousands of tourists are looking to take to the roads.

The new branch, located on Porchester Terrace North, offers a wide selection of cars and small vans in both manual and automatic models. Whether customers need a larger family sized vehicle for a day out, or fancy hiring a luxury car for a weekend away – there's something for everyone. Thrifty can also provide satellite navigation and full breakdown cover with the vehicle to ensure trouble free motoring.

Thrifty is also helping to keep local businesses moving through its flexible rental terms - whether extra vehicles are needed during busy periods, or when a new employee is taken on. In addition, both business and leisure customers can receive special discounts and low cost rates when they book online at [Thrifty.co.uk](http://Thrifty.co.uk).

Following 5 years at the company's London Heathrow location Gemma Kearns, Paddington's new branch manager, said: "With an anticipated increase of tourism this summer, it is very exciting to have the opportunity to develop such a prime location. Our customer service team are very friendly and professional, so you can expect a warm welcome and excellent service on every visit."

Alison Chadwick, director of regional operations for Thrifty Car and Van Rental adds: "Our new branch in Paddington, ideally located in the heart of London, gives the perfect opportunity for anyone looking to hire a vehicle to explore or have a weekend away."

The new Thrifty branch is located at; Colonnades Public Car Park, Porchester Terrace North, London, W2 6BH. Thrifty Car and Van Rental operates nationwide and currently has 88 branches within the UK.
